

*Covering your home's  
specialized electronic  
and mechanical  
equipment*

---

The modern home is full of high tech appliances, home accessories and specialized mechanical equipment. Gone are the days of a simple water tub and hand wringer to wash clothes. Everything from washers and dryers to your garage door opener is wired to a circuit board with sensitive electronics. Our Equipment Breakdown Endorsement is an affordable alternative to extended manufacturers warranty plans.

## *Homeowners Equipment Breakdown endorsement*

Indiana Farmers Mutual offers a special endorsement that covers the breakdown of specific electrical and mechanical components of your home. This endorsement is added to your Homeowners Policy and is a cost-effective alternative to extended manufacturers warranties. Coverage includes:

### **Appliances**

- Clothes washers and dryers
- Dishwashers
- Kitchen refrigerators and freezer units
- Ovens and Microwave ovens
- Garbage disposals

### **Home accessories**

- Home security systems
- Garage door openers
- Lighting and home environment monitoring
- Exhaust and ceiling fans
- Computers and peripheral equipment
- Surround sound systems
- Television/Plasma/LCD screens

### **Mechanical Equipment**

- High-efficiency home heating and cooling units
- Heat pumps
- High-energy electrical service panels
- Sump pumps
- Water heaters
- Well water pumps
- Swimming pool equipment
